

البحوث المنشورة للعام الدراسي 2016/2017

المجلة	منجز/مقبول/منشور	عنوان البحث	الأسم الثلاثي للتدريسي	ت
Research Journal of Pharmaceutical, Biological and Chemical Sciences	منشور	Relationship between IM Response and the C3435T SNP of abcb1 Gene among Some Iraqi CML Patients	Wiaam Ahmed Al-Amili , Abdul Hussein Moyet Al-Faisl	1
International Journal of Chem Tech Research	منشور	Rapid Detection for lasI and lasR genes of Pseudomonas Aeruginosa At Deferenca Iraqi Hospitals By Polymerase Chain Reaction (PCR) Technique	Wathiq Abass Al-Daraghi	2
International Journal of Chem Tech Research	منشور	Non - Invasive Diagnosis of Endometriosis based on the Evaluation of Serum TNF-a,IL-10 and TNF -a/IL-10 Ratio	Mohammed I. Nader	3
Iraqi journal of Biotechnology	منشور	Molecular Detection of Enterococcus Surface Protein (Esp) Gene in E.faecalis and E.faecium and their Role in Biofilm Formation	Ashwak B.Al-Hashimy	4
Iraqi journal of Biotechnology	منشور	Detecting m RNA Expression of LUNX Gene by RT- PCR in Lung cancer Specimens of Iraqi Patients	Abdul Hussein M. AL-Faisal	5
Iraqi journal of Biotechnology	منشور	Association of <i>Helicobacter Pylori</i> Infection and Gastric cancer	Abdul Hussein M. AL-Faisal	6
International Journal of Chem Tech Research	منشور	Biofilm formation , Antibiotic resistance and Detection of mannose-resistant Proteus-like (MR/P)fimbriae genes in Proteus mirabilis isolated from UTI.	kais kassim Ghaima, Hiba Hazim Hamid	7
Bioscience Research	منشور	Effect of iron and zinc on biofilm fromation in Proteus mirabilis isolated from urinary tract infections	Hiba azim Hamid	8
Iraqi journal of Biotechnology	منشور	Association of Androgen Receptor Gene Polymorphisms at three SNPs and their Haplotypes with Severe Oligozoospermia Risk in Iraqi Patients	Ismail A.Abdul - Hassan	9
Iraqi journal of Biotechnology	منشور	Association of <i>Helicobacter Pylori</i> Infection and Gastric cancer	Abdul Hussein M. AL-Faisal	10

Iraqi journal of Biotechnology	منشور	Detecting m RNA Expression of <i>LUNX</i> Gene by RT- PCR in Lung cancer Specimens of Iraqi Patients	Abdul Hussein M. AL-Faisal	11
Iraqi journal of Biotechnology	منشور	Identification of E-cadherin Methylation in Iraqi Breast Cancer Patients	Ismail H. Aziz	12
Iraqi journal of Biotechnology	منشور	Prevalence of HPV Genotype in Cervical Cells Among Iraqi Patients with Abnormal Pap Smears	Ismail H. Aziz	13
Iraqi journal of Biotechnology	منشور	Detecting m of DNA Hypermethylation in Blood Samples of Breast Cancer Iraqi Patients	wiaam A. AL-Amili	14
International Journal of Applied Environmental Sciences (IJAES)	منشور	Resistance and bioadsorption of Cadmium by <i>Pseudomonas aeruginosa</i> isolated from agricultural soil	kais kassim Ghaima	15
International Journal of science Research	منشور	molecular prevalence of <i>E.coli</i> and enterobacter cloacae caused urinary tract infections in Iraqi patients	Basima al.Saadi ,Saif Al.Ahmer	16
International Journal of advanced Research	منشور	Detection of qnr resistance genes in Ciprofloxacin and Nalidixic acid resistant Salmonella spp. isolated from stool samples.	kais kassim Ghaima ,Hiba azim Hamid	17
International Journal of Pharmacy and Pharmaceutical Research (IJPPR)	منشور	Comparison of Different Extraction Methods of (<i>Zingiber officinale</i>) on chemical composition, antioxidant activity	Ahmed Ibrahim Alazawi ,Essam Al-Jumaily	18
Biomedicine	منشور	A search for the effect of gasoline exposure and viability, apoptosis, necrosis of peripheral blood mononuclear cells and polymorphisms in Fas-FasL genes in blood of gasoline stations Iraqi workers	Bushra jasim Mohammed	19
Bioscience Research	منشور	effect of gasoline inhalation on tumor necrosis factor-alpha (TNF-)expression in liver of rats	Bushra jasim Mohammed	20
international journal of science and nature	منشور	STUDY THE INHIBITORY EFFECT OF THUJA OCCIDENTALIS AGAINST PSEUDOMONAS AERUGINOSA ISOLATED FROM SURGICAL WOUNDS IN VITRO AND IN VIVO	Bushra jasim Mohammed ,	21

international journal of advanced research	منشور	MOLECULAR DETECTION OF ANTIBIOTIC RESISTANCE GENE (MECA) IN STAPHYLOCOCCUS EPIDERMIDIS LOCAL ISOLATES	Marrib Nazih Rasheed	22
European Journal of Biomedical and pharmacuetical science	منشور	STUDY THE COAGULASE GENE IN STAPHYLOCOCCUS AUREUS ISOLATED FROM DIFFERENT SOURCES BY USING PCR AMPLIFICATION	Marrib Nazih Rasheed ، Mohammed Ibraheem Nader	23
Int. Curr. Microbiol. App. Sci.	منشور	Biofilm Production by Staphylococcus aureus isolated from Bovine mastitis related with resistance to the antibiotics	د. عصام فاضل الجميلي	24
The pharmaceutical and chemical Journal	منشور	Hydrogen peroxide (H ₂ O ₂) uced by E. faecalis in causing genomic instability determined by using comet assay	د. عصام فاضل الجميلي	25
The 3rd International Scientific Conference of Medical and Health	منشور	Purification and Characterization of alginase produced from local isolate Bacillus circula R.	د. عصام فاضل الجميلي	26
The pharmaceutical and chemical Journal	منشور	Purification and partial characterization of mesenterocin produced by the locally iso lated Lc. Mesenteroides NEF42.	د. عصام فاضل الجميلي	27
Journal of Global Bioscience	منشور	The combination effect of pure acidocin and Biofilm extract against Staphylococcus aureus in vitro.	د. عصام فاضل الجميلي	28
Int.J. Curr. Microbiol. App. Sci.	منشور	Multidrug Resistant Proteus mirabilis Isolated from Urinary Tract Infection from Different Hospitals in Baghdad City.	د. عصام فاضل الجميلي	29
Word Journal Pharmaceutical and Life.	منشور	Production and Purification of Aphlahemolysin from Proteus mirabilis PMBS41 from urinary tract infection	د. عصام فاضل الجميلي	30
Basrah Journal of Veterinary Research	منشور	CHARACTERIZATION and MPLECLAR DETECTION of PURIFIED PROTEUS MIRABILIS PMBS41 ALPHAHEMOLYSIN	د. عصام فاضل الجميلي	31

Ijppr.Human,	منشور	Purification and Characterization of aThermostable Serine Alkaline Protease from cillus stearothermophilus AEAL2.	د.عصام فاضل الجميلي	32
IOSR Journal of Pharmacy	منشور	Effect of a new Quinoline-2-one Derivatives (Compound 3) on Purified DNA gyrase from clinical isolate Pseudomonas aeruginosaPA31	د.عصام فاضل الجميلي	33
Journal of International Environmental Application & Science	منشور	Effects of Air Pollutants from Al-Dura Power plant in the Surrounding Area South Baghdad	د. علي عبد الأمير مهدي	34
World Journal of Pharmaceutical Research	منشور	Molecular Papid Assay on Plant Cells: A test for DNA Damage Caused by Pollution from Al-Daura Thermal Power Station Citrus Aurantium L. Plant	د. علي عبد الأمير مهدي	35
Global Journal of Science Frontier Research: H	منشور	Heavy Metal Effects from Al-Dura Power Station on Plant <i>Citrus Aurantium L.</i>	د. علي عبد الأمير مهدي	36
Global Journal of Science Frontier Research: H	منشور	Effects of Heavy Metals Emission from Al-Dura Power Station on the Soil Surrounding	د. علي عبد الأمير مهدي	37
Bulletin of Environment, Pharmacology and Life Sciences	منشور	In vitro Antifungal Activity of Musk	د. كامل مطشر الجبوري ، نور مكي	38
International Journal of Current Microbiology and Applied Sciences	منشور	Inhibitory Effectiveness of Musk on Viability of Protoscolices of Hydatid Cysts	د. كامل مطشر الجبوري ، نور مكي	39
International Journal of science and nature	منشور	molecular detection of Moraxella Catarrhalis isolated from children infected with otitis media	د.سيف الاحمر ، د.وئام العاملي ، د.زينب السعدي	40
journal of bioscience	منشور	antibacterial and antioxidant activities of proteins extracted from Annona Squamosa seeds	د.عبد المحسن مسلم	41
international journal of Chemtech Research	منشور	Molecular differentiation between Shigella and Escherichia coli using PCR technique	د.وائل عباس	42
Kufa Journal for Veterinary Science	منشور	<i>n-ras</i> and <i>k-ras</i> Mutations Among Some Iraqi Patients with Acute Lymphoblastic Leukemia	د. وئام العاملي	43

iraqi journal of Biotechnology	منشور	association of androgen receptor gene polymorphisms at three SNPs and their Haplotypes with Severe Oligozoospermia Risk in Iraqi Patients	د.اسماعيل عبد الرضا	44
Research Journal of Pharmaceutical , Biological and Chemical Science	منشور	Relationship between IM response and the C3435T SNP of Gene among some Iraqi CML patients	د. وئام العاملي	45
International Journal of Science And Nature	منشور	Molecular Detection of Morexella catarrhalis Isolated from Children Infected with Otitis Media	د. وئام العاملي	46
Journal of Karbla for Agriculaturral Science / conference proceeding of the 3ed scienfic conference of vaternity college - univercity of	منشور	Evaluation of DNA Damage for Some Iraqi Workers Employed in a Wooden Furniture Factories	د. وئام العاملي	47
Iraqi Journal of Biotechnology	منشور	Detection of DNA Hypermethylation in Blood Samples of Breast Cancer Iraqi Patients	د. وئام العاملي	48
current research in microbiology and biotechnology	منشور	expression pattern of wheat mitogen activated protein kinase (MAPK1)and MAPK4 genes under salinity stress	د.كامل الجبوري	49
current research in microbiology and biotechnology	منشور	immunological and molecular detection of helicobacter pylori in patients clinically diagnosed with chronic uritcarial and topic dermatitis	د.سيف الاحمر	50
international journal of science and nature	منشور	molecular detection of moraxella catarrhalis isolated from children infected with otitis media	د.سيف الاحمر	51
IRAQI JOURNAL OF SCIENCE	منشور	micronuclei formation and comet assay in women with polycystic ovarian syndrom (PCOS)	د.رشا عبد الحسن	52
