

CURRICULUM VITAE

Personal Data:

Name: Prof.Dr.Abdul Hussein Moyet M. Al-Faisali

Place & Date of Birth : Iraq / Baghdad -1955

Nationality: Iraqi

Marital Status : Married and three children

Academic Background :

- B.Sc. Biology, University of Baghdad, 1978.
- M.Sc. Biology, University of Baghdad, 1981.
- Ph.D. Clinical Molecular Genetics / Cancer Molecular Genetics, University of Wales, U.K., 1990.

Career History:

1981-1983: Lab. Supervisor, Military Hospital, Baghdad, Iraq.

1983-1986: Research Assist., Biological Research Center, Cell and Microbiology Dept., Scientific Research Council, Iraq. Lecturer, Education College, Biology Dept., University of Baghdad.

1986-1990: Ph.D. Research, Medical Group, University of Wales - U.K.

1990-1992: Lecturer, University of Babylon, College of Science, Biology Dept. Babylon, Iraq.

1992-1995: Lecturer, University of El-Tahadi, College of Science, Dept. Of Biology, Libya.

1995-1998: Assist. Prof. Head of Biology Dept., College of Science, University of El-Tahadi, Libya.

1998-1999: Cytogenetics Consultant - Sartawi Medical Laboratories - Amman - Jordan.

1999-2004 : Head of Biology Dept. College of Applied Science , Thamar University, Yemen.

2004-2005: Director of the international organizations Department-High Education and Scientific Researches Ministry-Iraq-Baghdad.

2005-2007: Assist.Prof.Head of Molecular Biology Dept .The Iraqi Center for Cancer and Medical Genetics Researches- Baghdad.

2007-NOW : Prof. Dr. Genetic Engineering and Biotechnology Institute-Baghdad University, Dean of the Institute

Previous Positions:

- Vice-Head of Biology Dept., College of Science, University of Baghdad, Iraq.
- Head of Biology Dept., College of Science, El-Tahadi University, Libya.
- Head of the Biology Dept. College of Applied Science, Thamar University, Yemen.
- Member of Scientific Committee, Biology Dept., College of Science, University of Babylon, Iraq.
- Member of Scientific Committee, Biology Dept., College of Science, University of El-Tahadi, Libya.
- Member of Scientific Committee, Biology Dept., College of Applied Science, University of Thamar, Yemen.
- Director of the national and international organizations Dept. – High Education and Scientific researches Ministry-Baghdad
- Head of the Medical Molecular genetic Dept. The Iraqi Center for Cancer and Medical Genetic Research-Al-Mustansyria University

Conferences and Congresses:

- Conferences of the Iraq Biologist Committee 1979-1983.
- Conferences of the Scientific Research Council, Iraq 1983-1985.
- Symposium of Genetic Engineering and its application in Arab world, Jordan, 1993.
- Conferences of the UKEMS 1987-1990 Swansea U.K.
- Member of Organization Committee of the 7th conferences of the Iraq Biology Committee, Iraq, Babylon, April, 1992.
- 1st Conferences of the Biology Science, Bengazi, Libya, 6-8 May 1997.
- 1st Conferences in Medical and Biological Sciences, Zarka University, Zarka, Jordan, 24-25 April 1999.
- The science conference 2000- Al-Mukala – Yemen from 5-10 October 2000.
- The Management in Disasters- WHO- Jourdan- Amman-2005.
- The first conference for Genetic Engineering and Biotechnology – Baghdad-2008.
- The 2nd conference for Genetic Engineering and Biotechnology – Baghdad-2009.
- The international conference for Genetic Engineering and Biotechnology – Baghdad-2011.
- The workshop of the human stem cells , culture and differentiation. 2012.

Career Related Position:

- Member of the Iraqi Biological Society since 1978.
- Member of the U.K. Environmental Mutagens (UKEMS) since 1985.

Teaching Experience:

- Oncogenes, Cancer Molecular Genetics, General Genetics, Molecular Genetics, Medical Genetics, Microbial Genetics, Genetics Engineering, Biotechnology, Molecular Biology , Cytogenetics.

Practical Experience:

- DNA, RNA Extraction and Purification.
- Restriction Enzymes, Restriction Mapping.
- DNA Fragments Isolation.
- DNA Cloning, Gene Banks, Probes Preparation And Probing.
- Southern Blot Hybridization, In Situ Hybridization-Gene Mapping.
- Chromosomal Abnormalities, Transfection-Transformation.
- Oncogenes, Mutations-Translocations. Amplifications-Cooperations.
- Polymerase Chain Reaction (PCR).
- Mutagens Assays.
- Evolutionary Studies By Using the Recombinant Techniques.
- Tumor Markers.
