

## Curriculum Vitae

**The name:** NOOR MAKKI HASHIM

**E-mail:** noorwitwit81@gmail.com

**Specialization:** MSc public health

**Occupation :** lecturer

**Degree :** lecturer

### **First: Qualifications .**

<b>Degree</b>	<b>The University</b>	<b>The college</b>	<b>Year</b>
BA	Baghdad	Veterinary medicine	
Masters	Baghdad	Veterinary medicine	
PhD			

### **Second: Designation:**

<b>No.</b>	<b>Occupation</b>	<b>Organization</b>	<b>Period from - to</b>
1	Assistant lecturer	University of Baghdad	10/10/2010 _17/12/2018
2	Lecturer	University of Baghdad	17/12/2018 - now
3			

### **Third: University teaching.**

<b>No.</b>	<b>Entity (Institute / College)</b>	<b>University</b>	<b>Period from - to</b>
1	Institute of genetic engineering and biotechnology	Baghdad	10/10/2010 _ now
2			

### **Fourth: Positions held in higher education.**

<b>No.</b>	<b>Occupation</b>	<b>Period from - to</b>
1	Administrator	10/10/2010 _1/9/2013
2	Lecturer	1/9/2013_ now

**Fifth: Teaching courses.**

No.	Section	Subject	year
1	Genetic engineering department	Molecular biology	1/9/2014 _1/9/2017
2	Genetic engineering department	Virulence	1/9/2017 now
3			

**Sixth: Theses which supervised**

No.	Higher diploma, Master and PhD	Title	year
3			
1			
2			

**Seventh: Scientific Conferences and Seminars**

No.	Title	Inside Iraq	Outside of Iraq	Place	Year
1	The first international scientific conference in institute of genetic engineering and biotechnology	yes		institute of genetic engineering and biotechnology	23-24/11/2011
2	The third international scientific conference	yes		institute of genetic engineering and biotechnology	25-26/10/2017
3	Panel discussion about CAR T cell	yes			24/4/2018
4	A Scientific symposium	yes		M.S disease	24/12/2018

### **Eighth: Training course**

<b>No.</b>	<b>Title</b>	<b>Inside Iraq</b>	<b>Outside of Iraq</b>	<b>Place</b>	<b>Year</b>
1	Advanced course on detection of DNA damage in human cells using Comet Assay	Inside Iraq		In institute of genetic engineering and biotechnology	
2	Human chromosome preparation and cytogenetic Analysis	inside Iraq		In institute of genetic engineering and biotechnology	
3	RT-PCR technique	Inside Iraq		In institute of genetic engineering and biotechnology	
4	from Nano drop to Nano drop workshop	Inside Iraq		In institute of genetic engineering and biotechnology	
5	DNA Extraction of semen	Inside Iraq			

### **Ninth: Other scientific activities**

<b>No.</b>	<b>Title</b>	<b>Inside Iraq</b>	<b>Outside of Iraq</b>	<b>Place</b>	<b>Year</b>
1					
2					
3					

4					
---	--	--	--	--	--

**Tenth : Research projects in the field of specialization to serve the environment or the development of education.**

No.	Title	Place of publication	year
1	Potential effectiveness of Essential oil as natural food preservatives compared with chemical	Scopus/Journal of pharma global technology والتاريخ النشر في V(10) No.(2-3) 2018 Issn:0975-8542	2018
2	Inhibitory Effectiveness of Musk on Viability of Protoscolices of Hydatid Cysts	<i>International Journal of Current Microbiology and Applied Sciences</i> ISSN: 2319-7706 Volume 5 Number 4 (2016) pp. 998-1006	2016
3	<i>In vitro</i> Antifungal Activity of musk	Bulletin of Environment, Pharmacology and Life Sciences Vol 4 [11] October 2015: 38-44	2015
4	Evaluation of the antagonistic effect of musk on eleven bacterial strains and three types of yeast	Topclass Journal of Microbiology Vol. 2(1)Pp. 1-7, 26 march, 2014	2014
5	Antibacterial and antioxidant activities of ethyl acetate extract of nettle ( <i>Urticadioica</i> ) and dandelion ( <i>Taraxacumofficinale</i> )	Journal of Applied Pharmaceutical Science Vol. 3(05), pp. 096-099, May, 2013	2013

6	A Comparative Study on Diet Supplementation with a Mixture of Herbal Plants and Dandelion as a Sours of Prebiotics on the Performance of Broilers	Pakistan Journal of Nutrition 9 (1) 67-71. 2010	2010

**Eleventh : Awards, Thanks and certificates of appreciation.**

No.	Awards	Thanks	certificates of appreciation	Donor	Year
1		1		Dean of Institute of Genetic Engineering an biotechnology	31/12/2012
2		1		Dean of Institute of Genetic Engineering an biotechnology	31/12/2012
3		1		Dean of Institute of Genetic Engineering an biotechnology	12/6/2013
4		1		Dean of Institute of Genetic Engineering an biotechnology	22/1/2013
5		1		Dean of Institute of Genetic Engineering an biotechnology	9/3/2015
6		1		Dean of Institute of Genetic Engineering an biotechnology	3/3/2016
7		1		University President	2018

**Twelfth: Membership of local and international scientific bodies**

No.	Title	Inside Iraq	Outside of Iraq	Place	Year
1					

2					
3					
4					

**Thirteenth : Authored and translated books**

No.	Title	Place of publication	year
3			
1			
2			

**Fourteenth : Languages**

No.	Language
1	Arabic
2	English
